

ENROLL IN AUTOMATIC BILL PAYMENT FOR YOUR CITY OF SAN BRUNO UTILITY BILL!

All City of San Bruno Utility customers can pay their utility (water, wastewater and garbage) bill through the City's Automatic Payment Service (APS). By enrolling in this service, your financial institution will automatically deduct funds from your banking account on the 20th of the month, every two months, to pay your utility bill. You will receive your utility bill in the mail at least 10 days prior to the automatic deduction. Sign up today and never worry about another late payment again.

To enroll in Automatic Bill Payment complete the form below and return it with an original blank check that has **VOID** written on it. Continue paying your bill as usual until you receive a bill saying "DO NOT PAY. YOU ARE ENROLLED IN THE AUTOMATIC PAYMENT PROGRAM".
